# **Death Valley Elementary School**

2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

# General Information about the School Accountability Report Card (SARC)

# SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard)

https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

#### 2022-23 School Overview

Please note that Death Valley Elementary School is temporarily not in operation owing to the lack of a student population adequate to operate a successful elementary program. Presently 3 students are being bused to Shoshone Elementary School. The District hopes that ongoing construction projects at Furnace Creek resort properties will result in families moving into Death Valley.

Death Valley Elementary is one of 5 elementary/middle/comprehensive high schools in the Death Valley Unified. Curriculum is focused on California's adopted standards. The school supports cultural awareness on a daily basis through its diverse curricular offerings and policy of total inclusion in all programs at all levels.

#### **About this School**

### 2021-22 Student Enrollment by Grade Level

| Grade Level | Number of Students |
|-------------|--------------------|
|-------------|--------------------|

# 2021-22 Student Enrollment by Student Group

| Student Group | Percent of Total Enrollment |
|---------------|-----------------------------|

# A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

# 2020-21 Teacher Preparation and Placement

| Authorization/Assignment  | School<br>Number | School<br>Percent | District<br>Number | District<br>Percent | State<br>Number | State<br>Percent |
|---|------------------|-------------------|--------------------|---------------------|-----------------|------------------|
| Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned) |                  |                   |                    |                     |                 |                  |
| Intern Credential Holders Properly Assigned   |                  |                   |                    |                     |                 |                  |
| Teachers Without Credentials and Misassignments ("ineffective" under ESSA)                      |                  |                   |                    |                     |                 |                  |
| Credentialed Teachers Assigned Out-of-<br>Field ("out-of-field" under ESSA)                     |                  |                   |                    |                     |                 |                  |
| Unknown   |                  |                   |                    |                     |                 |                  |
| Total Teaching Positions  |                  |                   |                    |                     |                 |                  |

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

# 2021-22 Teacher Preparation and Placement

| Authorization/Assignment  | School<br>Number | School<br>Percent | District<br>Number | District<br>Percent | State<br>Number | State<br>Percent |
|---|------------------|-------------------|--------------------|---------------------|-----------------|------------------|
| Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned) |                  |                   |                    |                     |                 |                  |
| Intern Credential Holders Properly Assigned   |                  |                   |                    |                     |                 |                  |
| Teachers Without Credentials and Misassignments ("ineffective" under ESSA)                      |                  |                   |                    |                     |                 |                  |
| Credentialed Teachers Assigned Out-of-<br>Field ("out-of-field" under ESSA)                     |                  |                   |                    |                     |                 |                  |
| Unknown   |                  |                   |                    |                     |                 |                  |
| Total Teaching Positions  |                  |                   |                    |                     |                 |                  |

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

# Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

| Authorization/Assignment                              | 2020-21 | 2021-22 |
|---|---------|---------|
| Permits and Waivers                                   |         |         |
| Misassignments  |         |         |
| Vacant Positions                                      |         |         |
| Total Teachers Without Credentials and Misassignments |         |         |

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

# Credentialed Teachers Assigned Out-of-Field (considered "out-of-field" under ESSA)

| Indicator  | 2020-21 | 2021-22 |
|--|---------|---------|
| Credentialed Teachers Authorized on a Permit or Waiver |         |         |
| Local Assignment Options                               |         |         |
| Total Out-of-Field Teachers                            |         |         |

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

# 2021-22 Class Assignments

| Indicator  | 2020-21 | 2021-22 |
|--|---------|---------|
| <b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)       |         |         |
| No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach) |         |         |

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <a href="https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp">https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp</a>.

# 2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Death Valley Unified held a public hearing on September 14, 2020 and determined that each school within the district had sufficient and good Quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams VS. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in 2020 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. Upon reopening this section will be updated as needed.

#### Year and month in which the data were collected

September 14, 2020

| Subject               | Textbooks and Other Instructional Materials/year of<br>Adoption | From<br>Most<br>Recent<br>Adoption<br>? | Percent<br>Students<br>Lacking Own<br>Assigned<br>Copy |
|-----------------------|---|---|--|
| Reading/Language Arts | Houghton Mifflin  | Yes                                     | 0%   |
| Mathematics           | Houghton Mifflin  | Yes                                     | 0%   |

#### **School Facility Conditions and Planned Improvements**

Death Valley Elementary was originally constructed in 1962 and is comprised of 2 classrooms and a stand alone trailer for preparing lunches and conducting meetings.

Cleaning Process: The principal works with the custodian to ensure that the cleaning of the school is maintained to provide for a clean and safe school.

Maintenance and Repair: District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. All water supply lines were changed and upgraded September and October, 2020. This renovation project included redundant pressure regulators with each system having a shutoff valve and pressure meter

Deferred Maintenance Budget: The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components.

Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems. All repairs and modifications are cleared with the Park Service if they might alter the landscaping or affect the architecture of the school itself.

#### Year and month of the most recent FIT report

## **B. Pupil Outcomes**

# **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### **Statewide Assessments**

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- 4. College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### **Options**

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

| Subject  | School<br>2020-21 | School<br>2021-22 | District<br>2020-21 | District<br>2021-22 | State<br>2020-21 | State<br>2021-22 |
|--|-------------------|-------------------|---------------------|---------------------|------------------|------------------|
| English Language Arts/Literacy (grades 3-8 and 11) | N/A               |                   | N/A                 |                     | N/A              |                  |
| Mathematics (grades 3-8 and 11)                    | N/A               |                   | N/A                 |                     | N/A              |                  |

#### 2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

| CAASPP<br>Student Groups                      | CAASPP<br>Total<br>Enrollment | CAASPP<br>Number<br>Tested | CAASPP<br>Percent<br>Tested | CAASPP<br>Percent<br>Not Tested | CAASPP<br>Percent<br>Met or<br>Exceeded |
|---|-------------------------------|----------------------------|-----------------------------|---------------------------------|---|
| All Students                                  |                               |                            |                             |                                 |   |
| Female  |                               |                            |                             |                                 |   |

#### 2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

#### **CAASPP Test Results in Science for All Students**

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

For any 2020–21 data cells with N/T values indicate that this school did not test students using the CAASPP for Science.

| Subject                                  | School  | School  | District | District | State   | State   |
|--|---------|---------|----------|----------|---------|---------|

## **B. Pupil Outcomes**

# **State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

# 2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

| Grade Level | Component 1:<br>Aerobic Capacity | Component 2:<br>Abdominal<br>Strength and | Component 3:<br>Trunk Extensor<br>and Strength and | Component 4:<br>Upper Body<br>Strength and | Component 5:<br>Flexibility |

| Grade 9     |                                  |   |  |  |                             |

# C. Engagement

# State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

# 2022-23 Opportunities for Parental Involvement

Parent Involvement

Death Valley students greatly benefits from supportive parents who participate in extracurricular functions and other activities as time permits. Parents are also welcome to visit school and join in field trips for those students attending Shoshone Elementary.

Contact Information --

Parents or community members who wish to participate in school activities, or become a volunteer may contact the district office at 760-852-4303.

# 2021-22 Chronic Absenteeism by Student Group

| Student Group                                 | Cumulative<br>Enrollment | Chronic<br>Absenteeism<br>Eligible Enrollment | Chronic<br>Absenteeism<br>Count | Chronic<br>Absenteeism<br>Rate |
|---|--------------------------|---|---------------------------------|--------------------------------|

# C. Engagement

# **State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

# **Suspensions and Expulsions**

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

| Subject     | School<br>2019-20 | District<br>2019-20 | State<br>2019-20 |
|-------------|-------------------|---------------------|------------------|
| Suspensions |                   |                     |                  |
| Expulsions  |                   |                     |                  |

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

| Subject     | School<br>2020-21 | School<br>2021-22 | District<br>2020-21 | District<br>2021-22 | State<br>2020-21 | State<br>2021-22 |
|-------------|-------------------|-------------------|---------------------|---------------------|------------------|------------------|
| Suspensions |                   |                   |                     |                     |                  |                  |
| Expulsions  |                   |                   |                     |                     |                  |                  |

# 2021-22 Suspensions and Expulsions by Student Group

| Student Group                                 | Suspensions Rate | Expulsions Rate |
|---|------------------|-----------------|
| All Students                                  |                  |                 |
| Female  |                  |                 |
| Male  |                  |                 |
| American Indian or Alaska Native              |                  |                 |
| Asian   |                  |                 |
| Black or African American                     |                  |                 |
| Filipino                                      |                  |                 |
| Hispanic or Latino                            |                  |                 |
| Native Hawaiian or Pacific Islander           |                  |                 |
| Two or More Races                             |                  |                 |
| White   |                  |                 |
| English Learners                              |                  |                 |
| Foster Youth                                  |                  |                 |
| Homeless                                      |                  |                 |
| Socioeconomically Disadvantaged               |                  |                 |
| Students Receiving Migrant Education Services |                  |                 |
| Students with Disabilities                    |                  |                 |

#### 2022-23 School Safety Plan

Safety of students and staff is a primary concern of Death Valley Elementary. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan was last reviewed and updated on February 8, 2022 by the Governing Board. All revisions were communicated to the both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year. Lock down drills are held (once a year as needed). Students are supervised before and after school by certificated staff and classified staff. Certificated and/or classified staff also supervise students during lunch. The designated area for student drop off and pick up is the parking area next to the playground gate.. Visitors are welcomed on campus but must check in with the teacher.

As Death Valley Elementary is situated in the middle of a national park and is in close proximity to both law enforcement and fire and EMS personnel, school safety is assured on many levels. This unique partnership with the National Park Service is greatly valued by the school and district staff.

Note that this plan will be in effect immediately upon reopening of Death Valley Elementary.

# D. Other SARC Information Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

# 2019-20 Elementary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

**Grade Level** 

Average Class Size Number of Classes with 1-20 Students

Number of Classes with 21-32 Students

**Number of Classes with** 33+ Students

### 2020-21 Elementary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

**Grade Level** 

Average Class Size **Number of Classes with** 1-20 Students

Number of Classes with 21-32 Students

**Number of Classes with** 33+ Students

# 2021-22 Elementary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

**Grade Level** 

Average **Class Size**  Number of Classes with 1-20 Students

Number of Classes with 21-32 Students

Number of Classes with 33+ Students

# 2021-22 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

| Title                        | Ratio |
|------------------------------|-------|
| Pupils to Academic Counselor |       |

# 2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

| Title   | Number of FTE Assigned to School |
|---|----------------------------------|
| Counselor (Academic, Social/Behavioral or Career Development) |                                  |
| Library Media Teacher (Librarian)                             |                                  |
| Library Media Services Staff (Paraprofessional)               |                                  |
| Psychologist  |                                  |
| Social Worker   |                                  |
| Nurse   |                                  |
| Speech/Language/Hearing Specialist                            |                                  |
| Resource Specialist (non-teaching)                            |                                  |
| Other   |                                  |

# 2020-21 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2020-21 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

| Level   | Total<br>Expenditures<br>Per Pupil | Expenditures<br>Per Pupil<br>(Restricted) | Expenditures<br>Per Pupil<br>(Unrestricted) | Average<br>Teacher<br>Salary |
|---|------------------------------------|---|---|------------------------------|
| School Site                                   | 0                                  | 0   | 0   | 0                            |
| District                                      | N/A                                | N/A                                       | 0   |                              |
| Percent Difference - School Site and District | N/A                                | N/A                                       |   |                              |
| State   | N/A                                | N/A                                       |   |                              |
| Percent Difference - School Site and State    | N/A                                | N/A                                       |   |                              |

### 2021-22 Types of Services Funded

Not applicable

#### 2020-21 Teacher and Administrative Salaries

This table displays the 2020-21 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at http://www.cde.ca.gov/ds/fd/cs/.

| Category                                      | District<br>Amount | State Average<br>for Districts<br>in Same Category |
|---|--------------------|--|
| Beginning Teacher Salary                      |                    |  |
| Mid-Range Teacher Salary                      |                    |  |
| Highest Teacher Salary                        |                    |  |

# **Professional Development**

Death Valley Unified offers programs to assist teachers, such as Beginning Teacher Support and Training (BTSA) and Peer Assistance and Review (PAR). These guidelines will be in effect upon reopening of Death Valley Elementary

Three inservice days are scheduled per school year, two in August and one at the end of school in June. These inservice days provide updates in regards to new laws, special education service delivery, curriculum development as well as district wide planning.

Professional development requires participation in conferences and workshops. Substitute teachers are not available in Death Valley. Every effort is made to keep Death Valley's teacher in the loop regarding Common Core and other new developments in education. When Death Valley Elementary reopens the teacher will be encouraged and supported when out of area workshops meet the teacher's needs.

This table displays the number of school days dedicated to staff development and continuous improvement.

| Subject   | 2020-21 | 2021-22 | 2022-23 |
|---|---------|---------|---------|
| Number of school days dedicated to Staff Development and Continuous Improvement | 3       | 3       | 3       |
