DVUSD is using part of its music grant funds to purchase musical instruments, such as: electronic piano, electronic drum kit, electric guitar and electric bass guitar. As DVUSD does not have a music instructor, students will need lessons via online platforms, such as flowkey.com for piano. These platforms require Google Play, which is compatible with Chromebooks. Also, Chromebooks will be used for music recording, mixing and production, with software/apps like Soundtrap. Thus, Chromebooks are needed for music classes and music club.
